The Chicco Car Seat Adaptor is designed to be used with the mounting brackets on your Baby Jogger City Mini, City Classic, City Elite, Summit XC, Summit 360, or F.I.T stroller and your Chicco Car Seat. This Car Seat Adaptor is only compatible with this car seat and stroller models.

1 Remove canopy and seat fabric from frame.

2 Insert Adaptor Brackets into the corresponding mounting brackets on your stroller until they click into place.

NOTE: The right and left mounting brackets on your stroller are determined by standing in front of and facing the stroller.

3 Insert U-Shaped Support Bar (labeled HEAD) into the front holes on the Adaptor Brackets.

4 Insert U-Shaped Support Bar (labeled FOOT) into HEAD Support Bar.

5 Screw Bar Fasteners into holes on the top of the U-Shaped Supports.

6 Close compression locks by flipping the red latches down.

7 Secure your car seat onto the stroller using the safety belt on the Car Seat Adaptor Brackets.

NOTE: Always close compression locks and securely fasten the Bracket Adaptor safety belt over the car seat before operation.

The sample product shown on this manual may differ slightly from your production quality Car Seat Adaptor. However, this will not affect the assembly or functionality of your Baby Jogger product.
